Join us in celebrating our frontline heroes.

Throughout the COVID-19 health crisis, URI's shelter staff worked tirelessly and uninterrupted in meeting the needs of our clients. Join us on October 22nd in celebration of their tireless efforts.

Enjoy an evening of hope, inspiration, and community as Urban Resource Institute (URI) marks our 40th Anniversary! Each year, URI highlights the importance and impact of our services to address domestic violence and homelessness by coming together to celebrate with our community of supporters.

While the COVID-19 crisis has made it unadvisable to join together in an actual event, we look forward to hosting our virtual Celebration -- leveraging modern technology as we look back on 40 years of impact and ahead to serving even more clients with our innovative services. **The evening will provide a first-hand look at the vital work URI does on homelessness and domestic violence prevention, intervention and services, including virtual tours of our facilities, Q&A's with senior leadership, and conversations with URI supporters, clients and staff.**

40 YEARS
of Impact

MISSION

To empower individuals, families, and communities, particularly communities of color and other disenfranchised populations, to end cycles of violence, homelessness, poverty, and trauma by increasing safety and resiliency.

VISION

A world free of domestic violence, homelessness, poverty, and trauma, where individuals and communities are safe, stable, and thriving.
